PROFESSIONAL EXPERIENCE

BRAIN Research Consultant | *WorldQuant LLC* (Nov'22 - ongoing)

Objective	• To create mid-frequency market neutral quantitative trading signals (Alphas) for the global equity markets
Approach	• Analysed research papers on market anomalies & mean-reversion to identify trading ideas & opportunities • Examined & used various data-sets like base (OHLCV) data, fundamental data, sentiment data, news data • Implemented ideas using statistical & time-series operators like regression, correlation, rank, Z-score, etc
Impact	• Created 40+ highly profitable alphas with an average Sharpe ratio 1.53 and average annual returns 18.53%

KEY PROJECTS

• **Betting-against-Beta Strategy** | *Prof. Wasim Ahmad, IIT Kanpur* (Jun'23 - ongoing)

Objective	• To analyse & optimise the Betting-against-Beta strategy (based on a market anomaly related to the CAPM)
Approach	• Studied & analysed academic literature on Betting-against-Beta strategy, its methodology & implementation • Modified original strategy by using intraday Beta for portfolio construction, and implemented it using Python
Impact	• Improved the Sharpe ratio of original BAB strategy by 26% for 15-year returns computed on NYSE indices

• **ESG Indicators, Investing and Analysis** | *FAC & Prof. Suman Saurabh, IIT Kanpur* (Dec'22 - Jan'23)

Objective	• To effectively utilise Environmental, Social & Governance (ESG) factors for impact-driven investing
Approach	• Examined concepts of ESG investing, & created an NLP model to extract ESG insights from a piece of text • Utilised the NLP model to parse through MDA section of annual reports, looking for key ESG related phrases
Impact	• Created a metric to score the NIFTY500 companies, quantitatively identifying ESG prioritising companies

POSITIONS OF RESPONSIBILITY

• **Manager, Alumni Relations** | *Outreach Cell, IIT Kanpur* (Apr'23 - Ongoing)

Leadership	• Collaborating with Dean of Resources & Alumni Office for organising upcoming reunions for 10+ batches • Led 20 secretaries to execute Mock-en-Joy'23 , mapping 65+ alums with 300+ students for mock interviews
Initiatives	• Led a two-tier team to organise Open House'23 at 20+ top coaching institutes in 12 major Indian cities • Recruited a team of 25 secretaries after a rigorous process of shortlisting & interviewing 250+ candidates • Conceptualised innovative initiatives that effectively leveraged social media to boost the cell's reach
Impact	• Expanded the cell's reach by 50% , and raised funds worth 1.6 lakh INR, a 60% increase from previous year

• **Secretary** | *Finance and Analytics Club, IIT Kanpur* (Aug'22 - Apr'23)

- Recruited & supervised a team of **200+** volunteers to accomplish successful conduction of the **Non-Core Weekend'23**.
- Collaborated with colleagues to plan & organise events & talks to improve **Financial Literacy** among the **600+** freshmen.
- Handled **sponsorship** deals worth upto **3 lakh** INR with WorldQuant, Groww, Finlatics and Utkarsh Small Finance Bank.
