Academic Qualifications

Year	Degree/Certificate	Institute	CPI/%
2020 - Present	B.Tech	Indian Institute of Technology, Kanpur	8.0/10
2019	CBSE(XII)	St. Joseph Senior Secondary School, Kasganj	95%
2017	CBSE(X)	St. Joseph Senior Secondary School, Kasganj	9.2/10

Key Projects

- **The CivDevs: Web Development Bootcamp, SoCE , IITK** 🌐 (Jan'22-Apr'22)
Mentor : Mr. Snehil Saluja in
 - Developed and built client side websites and web apps using technologies like **HTML, CSS, Javascript, Node & React**.
 - Designed a frontend user interface using **React Hooks** (State Hook, Effect Hook) and developed **Web API** using **NodeJS**.
 - Learnt to develop and contribute in teams - used version control, **Git and Github** and some project management tools.
 - Worked in teams of 5 people & 16 teams of second & third yrs to contribute to various GI applications for learning experience.
- **Machine Learning : Behind the Curtain , Stamatics , IITK** (Apr'22-June'22)
 - Learnt the fundamentals of **Python** and implemented various algorithms related to Machine Learning from the ground-up.
 - Explored multiple concepts in machine learning such as **Linear, Polynomial and Logistic Regression** techniques.
 - Implemented optimization techniques like **Clustering Algorithms, Gradient Descent** and **Association rule learning**.
 - Acquired understanding of **Neural Networks, Convolutional Neural Networks (CNN)** with the help of assignments.
- **Indian Premier League dashboard, Self Project** 🌐 (Apr'22-Apr'22)
 - Created a **web application** with a dashboard containing some tabular data and statistics of various editions of IPL matches.
 - Developed various components of this web application using **ReactJS, NodeJS** and frameworks like **Bootstrap**.
 - Uploaded the code base in a GitHub repository to maintain version control and deployed the web application using **Firebase**.
- **Object Oriented Programming, Self Project** 🌐 (June'22-July'22)
 - Learnt basics of **C++ Standard Template Libraries** and about concept & vantage of **Object Oriented Programming**.
 - Implemented abstract data structures as **C++ classes** using constructors, destructors, member functions and operators.
 - Understood and implemented various concepts: **Inheritance, Polymorphism, Data Abstraction and Encapsulation**.

Work Experience

- **Mentor Intern, Exprto** (Aug'21-Dec'21)
 - Mentored 50+ JEE Advanced aspirants to excel in subjects: PCM, and used past experiences and knowledge to guide them.
 - Curated and implemented interactive learning medium to increase student's understanding in course subjects manifolds.
 - Met with aspirants during one-on-one sessions to assist them with their difficulties regarding subjects or any other stresses.

Technical Skills

- **Programming Languages:** C, C++, Python
- **Software and Libraries:** Git, Github, NumPy, Pandas, Matplotlib
- **Other Languages:** HTML, CSS, Javascript, ReactJS, NodeJS, MATLAB

Positions of Responsibility

- **Secretary Videography, Antaragni'21** (2021-22)
 - Created **over 10** videos for various cells of Antaragni'21, catering to the needs of the various **events and sponsors**.
- **Organizer Videography, Antaragni'22** (2022-23)
 - Contributed in Antaragni'22 by creating **video content** for **social media outlets, media articles & publicity materials**.
 - Enabled the creation of content: **Promotional videos, Trailers & Announcements** which garnered over **10K views**.
 - Increased user engagement on all Antaragni social media pages by over 2x, and acquired a hitcount of **8.5K** on the website.

Relevant Courses

****Online Course**

Data Structures and Algorithms** Linear algebra Real Analysis	Computational Methods in Engineering Applied Probability and Statistics Introduction to Electronics	Fundamentals of Computing Ordinary Differential Equation Partial Differential Equation
---	---	--

Extra-Curricular Activities

- Participated in several tournament organised by **E-Sports Society** IIT Kanpur like Asphalt Legends
- Enrolled in the Hockey Workshop and Badminton Workshop organised by Games and Sports Council , IIT Kanpur
