

Academic Qualifications			
Year	Degree/Certificate	Institute	CPI/%
2024-2028	B.Tech	Indian Institute of Technology Kanpur	7.7/10.0
2023	Class XII (JAC)	JBC High School, Jamtara	88.4%
2021	Class X (ICSE)	St. Joseph's College, Prayagraj	96.4%
Work Experience			
Navikra Tech Solutions Pvt. Ltd. <i>Business Analyst Intern</i> (May'26 - Present)			
Objective	● Optimize the data workflows and product strategy for the B2B SaaS suite Bizapp , serving 100+ SMEs		
Approach	● Engineered SQL pipelines to analyze 10,000+ client logs, identifying multiple operational bottlenecks ● Formulated cohort analysis models to track retention, identifying 12% churn risk and targeted CRM actions ● Benchmarked pricing across 8+ B2B SaaS platforms, redesigning tiers to increase projected ARPU by 15%		
Results	● Delivered 20% revenue growth and 15% cost reduction through HRMS and pricing optimization strategies		
Research Experience			
Fog Visibility Detection 🌫️ <i>Prof. Shivam Tripathi</i> (Dec'25 - Jan'26)			
Objective	● Build an automated, image-based fog detection system for visibility assessment from multi-camera imagery		
Approach	● Curated a 4-year image dataset across 4 sources, engineering strict temporal splits to prevent data leakage ● Fine-tuned MobileNetV2 (last 40 layers) with a custom Dense-Dropout head for binary fog classification ● Calibrated classification thresholds to 0.45 & evaluated ROC-AUC metrics via TensorFlow & Scikit-Learn		
Results	● Achieved 73% accuracy & 87% recall on temporally held-out footage, validating real-world generalizability		
Key Projects			
UP Govt. Startup Policy Recommendations 🏢 <i>Indian Institute of Technology, Kanpur</i> (Jan'26 - Apr'26)			
Mentor: Prof. Amitabha Bandyopadhyay Professor, Department of Biological Sciences and Bioengineering, IIT Kanpur			
Objective	● Identify structural gaps and recommend targeted policy reforms across Uttar Pradesh's startup ecosystem		
Approach	● Identified 5+ policy gaps by analyzing 7000+ startups, 300+ VC funds and interviewing 10+ industry experts ● Benchmarked startup policies in UP against 7 top performing states to identify and incorporate best practices ● Formulated 15+ recommendations spanning 6 reform areas, comprehensively covering all startup growth drivers		
Result	● Presented the identified gaps and recommendations to Mr. Vijay Kiran Anand, IAS (CEO, Invest UP) ● Projected mobilizing ₹650+ Cr in startup investments via deep tech growth funds and tiered scaling grants ● Estimated advancing 1300+ startups beyond prototype phase and 300+ to market scaling stage over 5 years		
PharmaVate: Strategic Future-Proofing of Indian CDMOs 🏭 Gold Takneek'25 (Aug'25 - Sept'25)			
Objective	● Safeguarded a \$44.6B CDMO industry against 50%–200% U.S. tariffs via strategic future-proofing frameworks		
Approach	● Analyzed trade dynamics for an \$8.7B market & structured alternative value-based pricing frameworks ● Mapped a digital supply chain roadmap catering to 47% of the aggregate U.S. generic drug market demand		
Result	● Architected Digital Twin & IoT cold chain frameworks, cutting production costs by 60% , ensuring compliance ● Proposed GenAI in-silico drug discovery, projecting 30% less lab time & 25%–50% lower preclinical costs		
Positions of Responsibility			
Convener, Council of Students' Hostel Affairs Students' Gymkhana, IIT Kanpur (May'26 - Present)			
Leadership	● Elected as the ex-officio in charge of campus Hostel affairs with absolute majority by Senate members ● Oversaw operations of 15+ hostels , ensuring seamless residential and mess facilities for 9500+ students		
Initiatives	● Formulated the Hall Allocation Policy governing accommodation for 10,000+ students across the campus ● Managed the transition of 1200+ first-year students into 5 hostels , ensuring a disruption-free onboarding ● Designed and executed summer and convocation stay policies for 3000+ students across 7+ hostels		
Impact	● Secured ₹75L+ DCF grant , optimizing the infrastructure & purchases of 15+ hostels for 9500+ students ● Advocated waiving ₹16L+ summer Mess Establishment Charges , reducing student financial burden		
Social Impact			
Coordinator Agastya International Foundation (Jun'26 - Jul'26)			
Objective	● To organise a 1-month residential programme expanding educational access for underprivileged students		
Initiatives	● Coordinated with 20+ Gymkhana entities to execute large-scale academic & cultural operations concurrently ● Facilitated faculty-led research mentorship under 10+ IIT Kanpur professors , driving research engagement		
Impact	● Established structured academic & technical pathways upskilling 50+ underprivileged students nationwide		
Extra-Curricular Activities			
Technical	● 2x Bronze Medals at Inter IIT Tech Meet 14.0 - contributed in Arista Networks & LAT Aerospace ● Ranked in Top 4 among 23 IITs at Engineer's Conclave, Inter IIT 14.0 by presenting a patent-filed project		
Management	● Organized Aagman'25 for 1200+ attendees as Maintenance Secretary of Hall 13 HEC as a fresher ● Piloted Yearbook 2026 as Coordinator , resolving issues for 1200+ students and managing developers ● Chaired 250+ interviews for 59th Convocation Awards, representing 10k+ students as Senate Nominee		
Mentorship	● Supported 300+ freshmen in PHY115 course as an Academic Mentor via regular support sessions ● Guided 25 students in ML & Fintech (Fintech Disruption), leading a summer project under SnT Council		
Cultural	● Gold Medal in Galaxy Parade'25 showcasing excellence in Dramatics, Art, Craft and Teamwork ● Gold - Quiz Cup, contributing to overall win in Inter-Hall Cultural General Championship (Galaxy'25)		
Sports	● 2x Gold Medal in Arm-Wrestling & Tug-o-War and Silver in Weightlifting in Fresher's Inferno'24
