ACADEMIC QUALIFICATIONS

Year	Degree/Certificate	Institute	CPI/%
2021 - Present	BS	Indian Institute of Technology, Kanpur	7.74/10
2021	CBSE(XII)	The Shishukunj International School, Indore	97.2%
2019	CBSE(X)	The Shishukunj International School, Indore	94.4%

ACHIEVEMENTS

- Bagged **Bronze Medal in Inter-IIT Tech Meet 11.0** in 'Drona Aviation's Pluto Drone Swarm Challenge'
- **BCG Ideathon**: Cleared Phase II of the Bruce Henderson Insight Ideathon, conducted by **BCG** in 2023
- Secured **All India Rank 868 in JEE Advanced 2021** and **All India Rank 2937 in JEE Mains 2021**
- **All India Rank 912** - Recipient of the **Kishore Vaigyanik Protsahan Yojana (KVPY) Fellowship** in 2020
- Received **INR 2 lakhs Merit Scholarship** from **The Shishukunj International School** for session 2019-20 and 2020-21
- Among the **top 30** students in the state to qualify **Regional Mathematics Olympiad (HBCSE)** in 2018 and 2021

KEY PROJECTS

Drona Aviation's Pluto Drone Swarm Challenge - Inter IIT Tech Meet 11.0 📄 (January'23-February'23)

Objective	Design and implement a communication wrapper to facilitate drone control for Pluto 2.0 , integrating a webcam-based position detection system to develop an efficient and accurate position control system for the drone
Approach	• Designed a wrapper that can communicate over WiFi through MSP packets, by an ESP module on-board • Utilized a single O-cam camera to design and implement a robust 3D positioning system • Developed algorithms to enable real-time 3D tracking of Aruco marker on a drone, allowing for precise tracking • The position control system effectively regulated the roll, yaw, pitch, and throttle (RYPT) of the drone • Employed the communication wrapper and position control system to guide a drone along a designated path
Result	Won the Bronze Medal in the High preparation competition amongst the 22 participating IITs

DataScience with R - Mentee under Stamatics Society, IITK 📄 (May' 23- July' 23)

- Implemented web scraping, data cleaning, dataset processing, proficient in dataset manipulation, visualization, and plotting
- Utilized **RMarkdown** to create reproducible documents and websites, and developed interactive **R Shiny applications**
- Utilized widely used libraries such as **tidyverse**, **rvest**, **dplyr**, **MASS**, **txhousing**, **iris**, and **ggplot2**
- Experienced in data profiling, and analysis, and proficient in integrating C++ functions into R workflows using **Rcpp** packages

POSITIONS OF RESPONSIBILITY

Coordinator, Photography Club (Media and Cultural Council, IIT Kanpur) 📄 (May'23-Present)

Leadership	• Built and led a 3-tier team of 30+ individuals to conduct events and workshops for a community of 9000+ • Managing a budget of INR 35K for club activities, conducting workshops and inviting world-renowned artists • Responsible for handling club's resources worth INR 6 lakhs to foster the photography culture in IIT Kanpur
Initiatives	• Conducted beginner-level workshops on light painting and DSLR handling for the campus community • Organized a 10 day long workshop for campus community, with renowned artist Mr. Prashant Godbole • Supervised the coverage of Institute Level festivals such as Antaragni, Udghosh and Techkriti • Cultivated an active social media presence with 3.5K+ Instagram followers and 4.5K+ Facebook followers
Impact	• Established a dynamic platform for photography enthusiasts on campus to enhance their photograhry skills • Attracted diverse audience including professors and students from various disciplines for the workshop • Received applications from 120+ undergraduate students in the secretary recruitment of the team

Editor Media, Vox Populi (Journalism body, IIT Kanpur) 📄 (May'23-Present)

Leadership	• Working in a 4-tier team with 12 editors to cover campus news and promote an active journalism culture • Pitched and led 4+ articles, managed a team of 30+ CGMs for journalism and video production
Initiatives	• Revitalized Vox's video vertical, implementing a streamlined workflow to expedite the production of articles • Interviewed 2 sustainable tech startups and Prakarti society to create an awareness piece on sustainability • Interviewed the Director, professors, workers and Council heads for 10+ articles, reports and investigations
Impact	• Built substantial social media following: 17K Facebook, 3K Instagram; consistent 1K video article views • Doubled video production bandwidth, expanded team size by two fold to support increased output

EXTRACURRICULAR ACTIVITIES

Social Work	Student Guide (Counselling Service, IIT Kanpur) : • Guided and mentored 6 freshmen students in acclimatizing to the Environment of the Institute • Assisted and worked under the Core Team in the conduction of the Orientation'22 event for 1200+ freshers
Oration	• Anchored the QNA session of Sadhguru at IIT Kanpur which was attended by 1500+ individuals • Interviewed CEO of Google Cloud, Mr. Thomas Kurian during Techkriti attended by 1500+ people • Anchored and supervised the Phase II of TOSC which saw a participation of 100+ students • Won the Best Presentation Award among 100+ students in the inter-school BalVigyan competition (2018)
Cultural	• Represented the Institute in the Inter IIT Cult Meet 5.0 in the 51 Hours Film making Challenge • Among the Top 50 entries out of 40,000+ participants in the IFP 50 hours Film Making Competition • Participated in the Freshers' Nukkad Natak, showcasing acting skills in front of a diverse audience of 250+
Sports	• Participated in water polo and represented the institute in the 36th Inter IIT Sports in Aquatics • Secured first place in the Junior Roller Skating Competition at the Indore district level in 2013
Technical	• Senior Member of Aerial Robotics: led a team of 25 UG students to work on autonomous drones and FPVs
