- Machine Learning : Behind the Curtain** | *Stamatics, IIT Kanpur* (Apr'22 - Jul'22)
 - Acquired foundational knowledge of **Python**, **NumPy**, **Pandas library**, and concepts of **linear algebra**
 - Developed a **linear regression model** using NumPy and Matplotlib to perform **binary classification tasks**
 - Implemented **neural network with hidden layer** for classification using NumPy, Pandas, and Matplotlib library

Competitive Programming

- Pahal_Aman** : Active Participation in **Codeforces** contests, with a highest rating achieved being **1739 (Expert)**
- amanpahal** : Active participation in **Codechef** contests, with a highest rating achieved being **2037 (5 star)**
- Secured a **Global Rank of 66** in the Codeforces Round 903 and **Global Rank of 217** in the Codeforces Round 881
- Secured a **Global Rank of 24** in the Codechef Starter 103 and **Global Rank of 52** in the Codechef Starter 94

Technical Skills

- Languages** : C, C++, Python, Bash, Verilog, MIPS
- Miscellaneous** : $\text{\LaTeX}$, Git/GitHub, Numpy, Postman
- Development** : HTML, CSS, JavaScript, Bootstrap, ReactJS, NodeJS, ExpressJS, MongoDB

Relevant Courses
